FALL 1950 SUPPLEMENT

Please Refer to Spring Catalog for Other Varieties of Violets, Ivies and Other House Plants.

Ivies

Snowflake—Leaves of the Hahn shape except smaller. Leaves are heavily splashed with white, giving the appearance of being covered with snow. Very distinct, novel and different. Our own introduction. **50¢ each.**

Green Ripple—Very rippled deep green leaves which are sharply notched and pointed. **40¢ each.**

Curly Leaf—Has large medium green leaves which are very curly and attractive; hence its name Curly Leaf. **40¢ each.**

Silver Queen—This ivy has very large curly deep green leaves which have a slight tinge of silver. Very lovely and nice. **40¢ each.**

Ideal—Medium size slightly curly deep green leaves. Very free branching. **40¢ each.**

Rhoeo Discolor

(Moses in the Cradle)

An unusual houseplant with wide leaves which are green on top and red underneath. Small white flowers which are borne in groups surrounded by boat like bracts in the base of the leaves. Plants are very easy to grow and make plants which are colorful and always create attention. **50¢ each.**

African Violets

Besides those listed in our catalog we now have the following varieties. To help insure safer arrival of African Violets we are now shipping all Violets by Parcel Post Special Handling. We will not ship Violets between December 15 and March 1 due to the danger of plants being frozen, except in the state of Indiana or other close states and then only during periods of mild weather.

ORCHID WONDER—Orchid colored flowers shading from light orchid on the edges to a deep orchid in the center. One of the prettiest orchid colored violets that we know. **\$1.50 each.**

ORCHID NEPTUNE—Like Neptune except with orchid colored flowers. **\$1.50 each.**

LAVENDER PINK PRINCESS—Pale lavender with a pink overcast. Very lovely. **\$1.50 each.**

LAVENDER BEAUTY—Large free blooming lavender flowers on a very lovely plant. **\$1.50 each.**

BRONZE GIRL—Large reddish flowers with girl type leaves which have a distinct bronze cast. Very lovely. Has the prettiest foliage of any of the girl violets. **\$1.50 each.**

PINK GIRL—Large pink flower with small girl type foliage. **\$1.50 each.**

RED GIRL—Large reddish flowers with girl type foliage. The flowers will vary a lot in shading; many of which are almost a bicolor. **\$1.50 each.**

GORGEIOUS BICOLOR—Light orchid flowers with darker tips. The best Bi Color. **\$1.50 each.**

RED KING—The reddest violet we have seen yet. Several shades darker than Red Head and like Red Head, the color will vary with light and soil fertility. **\$1.50 each.**

NORSEMAN—Very lovely medium size porcelain blue flowers. **\$1.25 each.**

BLUE EYES—A lovely light clear blue. **\$1.00 each.**

GORGEIOUS—Large orchid colored flowers with dark green spooned leaves. A very lovely plant which should be in every collection of Violets. **\$1.75 each.**

DOUBLE NEPTUNE—“The King of the Doubles.” Large double blue flowers which open well. Leaves are dark green and look like Neptune. Far superior to Double Duchess. **\$2.00 each.**

#1—The darkest blue.

#3—Medium blue.

#5—The lightest blue.

DU PONT SILVER PINK—Light lavender pink flowers with a silvery overcast.

DU PONT ORCHID BEAUTY—A new hybrid with orchid colored flowers.

NOTICE: The following violets from our Spring Catalog are no longer available.

PINK BEAUTY SUPREME, WHITE LADY SUPREME are being discontinued because we feel they are not superior enough to warrant growing them.

ORCHID BEAUTY because it is so similar to Red Head.

COMMODORE and RED BICOLOR have been withdrawn for propagating purposes.

NOTE: We have found that Lady Geneva will not keep its white edge unless it is kept fertilized with some good plant food. We recommend **Plant Marvel** to be the best fertilizer to use on African Violets. Order some today with your next Violet order.

The Best and Safest Fertilizer to Use on African Violets or Any Other House Plant. Shipped Postpaid Only with an Order for Plants.
